

2026 Happy Math Summer Chess Program

Welcome to the 2026 Happy Math Summer Chess Program! Taught by Theo Wolchock and Nathan Vaughan, our summer program offers both **in-person classes** as well as **in-person tournaments**. Classes are available for all skill levels, so whether you're mastering the basics or preparing for high-level competition, there's a place here for you!

Bridgwater address: 15 Cooper's Town Rd Unit 10 & Unit 20, Winnipeg, MB R3Y 1G5

Happy Math chess classes are **sectioned based on your child's Chess'n Math rating** (skill level). If your child has participated in any Chess'n Math (Manitoba Scholastic) events, you can find their rating [here](#). If your child **does not have a rating, contact us** to determine your child's level.

- **Intermediate 1:** Rating 300 – 500

- **Intermediate 2:** Rating 500 – 700
- **Advanced:** Rating 700+
